SHOW ENTRY FORM

It is the responsibility of the Exhibitor to enter their cat under its correct registered/recorded name, number, ownership and in the correct class. Use the AFCA Registration Certificate for the EXACT spelling of the Cat's Name, Sire, Dam, Breeder, Owner and Registration Number. Cats may be entered in the Adult and Alter classes only one time without an AFCA registration number. Some breeds excepted (see Show Rules Article IV Sec. 2 Registration Subsection C).

NOTE: This form must be completed for each cat being entered. The preferred method is to fill in this form using Adobe Reader and email it to the Entry Clerk (it can be saved with v7 or higher, only printed with v6 or lower). However, a hand-completed hard copy can be mailed (or faxed if available) instead. Adobe Reader is a free download at www.adobe.com

The undersigned does hereby agree to abide by the rules of AFCA and the Judges' decisions.
