FOOD!!

Once again, the local Boy Scout Troup will be feeding us with their wonderful, homemade food! Exhibitors RAVE about the quality and pricing! Last year, the local Bob Evans enabled the Scouts to serve one of their most popular breakfast items, at a fraction of cost! No need to go out for fast food at THIS show hall! It's a real treat!

HOTELS

There is no official show hotel. However, here are quite a few that do accept pets. Please reference the <http://www.catshows.us> website for the Si Sawat listing which gives an up-to-date listing on all the hotels in the area (many have changed names from last year).
