BENCHING:

This is a Non-Vetted Show. All cats or kittens entered or present in the show hall must be inoculated before entry by a licensed veterinarian against rabies. It is also strongly recommended that cats be inoculated against feline rhinotracheitis/calici viruses/enteritis and tested and found negative for feline leukemia. All entries are expected to be free of external and internal parasites and any infectious or contagious diseases. The show committee reserves the right to remove any cat or kitten from the show hall that is suspected of having any of the above ailments until a licensed veterinarian can pass on the animal's health at the exhibitor's expense. Kittens under 4 months of age will not be permitted in the showroom. Claws, both front and rear, must be clipped prior to the show.

Declawed cats or kittens are not eligible for entry. Litter will be furnished. Bring your own food, dishes, and litter pans. Wildcatters Cat Club or the show management cannot be held liable for loss or accident to a cat, exhibitor or their personal property. No changes in the benching assignment will be allowed without permission.
